(4) The Executive Mayor as Supervisory Authority shall, at intervals of 3 months, report to Council as contemplated in section 99(c) of the Act.

CUSTOMER CARE SECTION

OBJECTIVES

- (f) (1) The objectives of the customer care section are to -
 - (a) To focus on the client's needs in a responsible and pro-active way to create a positive and cooperative relationship between customers responsible for the payment of services received, and the municipality, and where applicable, any service provider.
 - (b) To facilitate financial assistance and basic services for the community's poor.

Communication and feedback

- (2) The municipality will, within its financial and administrative capacity, conduct an annual process of compiling and communicating its budget, which will include revised targets for customer care.
- (3) The Customer Care, Credit Control and Debt Collection Policy or relevant extracts thereof, will be available in Xhosa, English and Afrikaans at the municipal office, the official website and on special request.
- (4) Council will endeavour to distribute a regular newsletter, which will give prominence to customer care and related issues.
- (5) Ward councillors will be required to hold regular ward meetings, at which customer care and related issues will be given prominence.
- (6) The press will be encouraged to give prominence to customer care and related issues, and will be invited to Council or Committee meetings where these matters are discussed.

Handling of Complaints

- (7) Within its financial and administrative capacity the municipality will establish:-

- (a) a central complaints/feedback office;
- (b) a centralized complaints database to enhance co-ordination of complaints, their speedy resolution and effective communication with customers;
- (c) appropriate training for officials dealing with the public to enhance communications and service delivery; and
- (d) a communication mechanism to give feedback on service, debt and customer care and related issues.

Accounts and billing

- (8) Customers will receive an understandable and accurate bill from the municipality, which will consolidate all service charges for that property.
- (9) Accounts will be produced in accordance with the meter reading cycle and due dates will be linked to the statement date.
- (10) Accounts will be rendered monthly in cycles of approximately 30 days at the address last recorded with the municipality or its authorised agent.
- (11) It is the customer's responsibility to ensure that postal address and other contact details are correct.
- (12) It is the customer's responsibility to ensure timeous payment in the event of accounts not received.
- (13) Settlement or due dates will be as indicated on the statement.
- (14) Where an account is not settled in full, any lesser amount tendered and accepted shall not be deemed to be in full and final settlement of such an account.
- (15) Where any payment is made by a negotiable instrument and is later dishonoured by a bank, the municipality or its authorised agent:-
 - (a) may recover the bank charges related to the transaction against the account of the customer; and
 - (b) shall regard such an event as a default on a payment.
- (16) The municipality or its authorised agent must, if administratively possible, issue a duplicate account to a customer on request, at a cost as determined by Council.

Metering

- (17) Within practical and financial limits the municipality will endeavour to provide meters for every consumable service.
- (18) All meters will be read monthly, on the same date, if possible.
- (19) If it is not possible to read all meters monthly the consumption will be estimated.
- (20) Customers are entitled to request verification of meter readings and accuracy within reason, but may be held liable for the cost thereof.
- (21) Customers will be informed of meter replacements.
- (22) If a service is metered but it cannot be read due to constraints or circumstances out of the control of the municipality or its authorised agent, and the customer is charged for an estimated consumption, the account following the reading of the metered consumption must articulate the difference between the actual consumption and the average consumption, and the resulting credit or debit adjustments.

Payment facilities and methods

- (23) The municipality will operate and maintain suitable and accessible payment facilities.
- (23) The municipality will, at its discretion allocate payments between service debts and debtors may not specify that payments are for specific portions of the account.
- (24) With the consent of a customer the municipality may in terms of section 103 of the Systems Act, approach an employer to secure a debit or stop order arrangement.
- (25) The municipality may provide for special incentives as contemplated in section 103 of the Systems Act.
- (26) The customer will acknowledge, in the customer agreement, if he/she uses agents to transmit payments to the municipality he/she is responsible for late and non-payments.

Enquiries, appeals and service complaints

- (27) If a customer is convinced that his or her account is inaccurate, he or she can lodge a query with the municipality to investigate and adjust the account if found valid.
- (28) In the interim the debtor must pay an amount equal to the average of the last three month's consumption where such history of the account is available.
 - (a) Where no such history is available, the debtor must pay an estimated amount as calculated by the municipality until the matter is resolved.
- (29) The relevant department will investigate the query lodged in terms of section 6(27) and inform the debtor within the period specified in the policy targets.
- (30) Failure to make interim payments will subject the customer to the normal credit control and debt collection procedures.
- (31) A customer may appeal to the Municipal Manager against the finding of the municipality or its authorised agent in terms of 6.(29).
- (32) An appeal in terms of section 6.(31) must be made and lodged with the municipality within 21 (twenty-one) days after the notification of such finding has been received and must:-
 - (a) set out the reasons for the appeal; and
 - (b) be accompanied by any security determined for the testing of a measuring device, if applicable.

Customer Categories

- (33) Customers will be categorised according to specific classifications based on *inter alia* the type of entity and applicable tariffs and risk levels.
- (34) Processes for credit control, debt collection and customer care may differ from category to category, as deemed appropriate from time to time by the Municipal Manager.

Priority Customer Management

- (35) Certain customers will be classified as priority customers based on criteria determined by the Municipal Manager.
- (36) A priority customer liaison officer may be appointed to take care of priority customers.

- (37) The envisaged priority customer liaison officer will be responsible for the ongoing management of the customers so classified and will perform tasks such as the review of monthly accounts to ensure accuracy, the monitoring of prompt settlement of accounts and response to queries.

Customer assistance programmes

Water leakages

- (38) If the leakage is on the customer's side of the meter, the customer will be responsible for the payment of all water supplied to the property.
- (39) Where suitable proof of repair costs are provided, the Municipality may, at its sole discretion, provide relieve to a maximum of 80% of the charge raised for the water lost due to the leak, for a period not exceeding three months.
- (40) The customer has the responsibility to control and monitor his/her water consumption.

Rate rebates

- (41) Categories of property or owners may qualify for exemptions, rebates and reductions of rates as determined in the municipality's property rates policy.

Arrangements for settlements

- (42) Customers with consumption arrears must agree to the conversion to a prepayment meter.
- (43) When a prepayment meter is installed due to defaults on payments, the cost of the meter and all arrears can be paid off:-
- (a) monthly over an agreed period; and
 - (a) at the discretion of the Municipal Manager, by adding the debt as a surcharge to the prepaid electricity cost, and be repaid with each purchase of electricity until the debt is liquidated.
- (44) The municipality reserves the right to raise the deposit requirement of debtors who seek arrangements.
- (45) Where an arrangement is made outside of the conditions of payment as set out in Annexure "A", such payments will be accepted, subject to the normal credit control and debt collection procedures.

Rates by instalments

- (46) Customers may elect to pay their property rates account monthly, at no interest cost on the condition that there are no rates outstanding in respect of a previous period and that the rates are paid in full prior to the next rates cycle.
- (47) Any arrangement for monthly rate instalments will be cancelled and all rates will become payable in full with immediate effect should any three instalments become overdue.

Indigent subsidy

- (48) Customers may apply for an indigent subsidy on the conditions as stipulated in the municipality's Indigent Policy.

Free basic services

- (49) Council may provide, free of charge to a customer, certain basic levels of services, as determined from time to time.

CREDIT CONTROL SECTION

OBJECTIVES

- 7. (1) The objectives of the credit control section are to -
 - (a) Implement procedures that will ensure the prevention of escalation in arrear debt.
 - (b) Limited risk by employing effective management tools.

Service application and agreements

- (2) All customers of services will be required to sign an agreement governing the supply and cost of municipal services.

- (a) Owners may allow tenants to sign separate agreements with the municipality, which the municipality may at its own discretion accept or reject.
 - (b) On default by a tenant, the owner will be the debtor of last resort.
- (3) Prior to signing these agreements, customers will be entitled to receive the policy document of the municipality on request at a cost determined by Council.
- (4) On the signing of the agreement, customers will receive a copy of the agreement for their records.
- (5) Customers are responsible for costs of collection, interest and penalties in the event of delayed and/or non payment.
- (6) Existing customers of services will be required to sign new agreements as determined by the Municipal Manager from time to time.

Customer screening and securities

- (7) All applicants for municipal services will be checked for credit-worthiness including checking information from banks, credit bureaux, other local authorities, trade creditors and employers.
 - (a) On application consumers will be grouped into high, medium or low risk consumers.
 - (b) A consumers will be granted a low risk status if he/she/it has not defaulted on any payment to the municipality, medium risk for defaults on payments and high risk if any legal action and judgements were taken.
- (8) Based on the risks assessment deposits either in cash or any other security acceptable to the municipality will be charged for any new connection or any default on existing payment arrangement.
- (9) Deposits can be increased at the discretion of the municipality to a maximum of three months average consumption.
- (10) Deposits can vary according to the credit-worthiness or category of the applicant subject to paragraph 7.(7)-(12).
- (11) The municipality will not pay any interest on deposits.

- (12) On the termination of the agreement the amount of the deposit, less any outstanding amount due to the municipality, will be refunded to the consumer.

Right of access to premises

- (13) The owner and or occupier of property must allow an authorised representative of the municipality access at reasonable hours to the property in order to read, inspect, install or repair any meter or service connection for reticulation, or to disconnect, stop or restrict, or reconnect, the provision of any service.
- (14) The owner is responsible for the cost of relocating a meter if satisfactory access is not possible.
- (15) If a person fails to comply with 7.(13) the municipality or its authorised representative may:-
- (a) by written notice require such person to restore access at his/her own expense within a specified period; and
 - (b) as a matter of urgency, without prior notice restore access and recover the cost from such person.

Personal contact

- (16) Within the constraints of affordability Council will endeavour to notify customers of their arrears situation by telephonic contact or by delivering a final demand notices.
- (17) During the contact customers will be informed of their rights and obligations in terms of the customer care, credit control and debt collection policy including making arrangements and applying for indigent support.
- (18) Such contact is not a right and disconnection of services and other collection proceedings may continue in the absence of such contact.

Interruption of service

- (19) Customers who are in arrears with their municipal account and who have not made arrangements with the municipality will have their supply of electricity and water, and other municipal services, suspended or disconnected.

- (20) The disconnection of services may happen when the municipal account is 1(one) day overdue.
- (21) Council reserves the right to deny or restrict the sale of electricity or water to customers who are in arrears with their rates or other municipal charges.
- (22) Upon the liquidation of arrears, or the conclusion of acceptable arrangements, the service will be reconnected as soon as conveniently possible.
- (23) All costs related to notices, the restrictions or dis- and reconnections, will be determined by tariffs approved by the municipal Council, and will be payable by the customer.
- (24) The deposit of any defaulter will be adjusted and brought into line with the policy and tariff structure of the municipality.

Rates clearance

- (25) On the sale of any property in the municipal jurisdiction, the municipality will withhold the transfer until all rates, services and consumption charges are paid by withholding a rates clearance certificate as contemplated in section 118 of the Systems Act.

The Pre-payment System

- (26) The municipality may use its pre-payment system to recover arrears in respect of accrued municipal taxes and other municipal levies, tariffs and duties in respect of services such as water, refuse removal, sanitation and sewerage.
- (27) A customer with arrears, incurred after 30 June 1999 who applies for a pre-payment system, will be required to repay all arrears in full before a pre-payment electricity meter is installed or, if the amount outstanding is large and/or the customer's ability to pay is limited the arrears can be repaid by allocating 50% of all purchases before any electricity credit is given.

Incentives for prompt payment

- (28) To encourage prompt payment and/or to reward regular payers the municipality may consider incentives for the prompt payment of accounts or payment by debit or stop orders.
- (29) If introduced such an incentive scheme will be reflected in the operating budgets as an additional expenditure.

Interest

- (30) Interest will be raised as a charge on all accounts not paid by the due date in accordance with applicable legislation.

Theft and fraud

- (31) Any natural or juristic person found to:-
 - (a) be illegally connected to municipal services;
 - (b) has tampered with meters, the reticulation network or any other supply equipment
 - (c) has committed any unauthorised act associated with the supply of municipal services, and
 - (d) be involved in theft of and fraudulent activity will be prosecuted and/or held liable for penalties as determined from time to time.
- (32) Council will immediately terminate the supply of services to a customer should such conduct as outlined in 7(31), be detected.
- (33) The total bill owing, including penalties, assessment of unauthorised consumption and discontinuation and reconnection fees, and increased deposits as determined by Council if applicable, will be due and payable before any reconnection can be sanctioned.
- (34) The municipality will maintain monitoring systems in order to identify customers who are undertaking illegal actions.
- (35) The municipality reserves the right to lay criminal charges and/or to take any other legal action against both vandals and thieves.
- (36) Any person failing to provide information or providing false information to the municipality may face immediate disconnection and/or legal action.

DEBT COLLECTION SECTION

OBJECTIVE

- (g) (1) The objectives of the debt collection section are to -
 - (a) Provide procedures and mechanisms to collect all the monies due and payable to the municipality arising out of the supply of services and annual levies, in order to ensure financial sustainability and delivery of municipal services in the interest of the community.

Legal Process/Use of attorneys/Use of credit bureaus

- (2) The municipality may, when all other credit control actions have been exhausted, commence legal process against debtors which process could involve summonses and judgements.
- (3) The municipality will exercise strict control over this process, and will require regular reports on progress from service providers.
- (4) The municipality will establish procedures and codes of conduct with these outside parties.
- (5) Garnishee orders, in the case of employed debtors, are preferred to sales in execution, but both are part of the municipality's system of debt collection.
- (6) All steps in credit control and debt collection procedures will be recorded for the municipality's records and for the information of the debtor.
- (7) Individual debtor account information is protected and not the subject of public information.
- (8) The municipality may release debtor information to credit bureaus.
- (9) The municipality may consider the cost effectiveness of the legal process, and will receive reports on relevant matters, including cost effectiveness.
- (10) The municipality may consider the use of agents as service providers and innovative debt collection methods and products.
- (11) Customers will be informed of the powers and duties of such agents or service providers and their responsibilities including their responsibility to observe agreed codes of conduct.

- (12) Any agreement concluded with an agent, service provider or product vendor shall include a clause whereby breaches of the code of conduct by the agent or vendor will constitute a breach of the contract.

Cost of collection

- (13) All costs associated with credit control and debt collection including interest, penalties, service discontinuation costs and legal costs are for the account of the debtor and should reflect at least the cost of the particular action.

Abandonment of Claims

- (14) The Municipal Manager must ensure that all avenues are utilised to collect the municipality's debt.
- (15) The valid termination of debt collection procedures as contemplated in section 109(2) of the Systems Act, may be considered under the following circumstances:-
- (a) the insolvency of the debtor, whose estate has insufficient funds;
 - (b) a balance being too small to recover, for economic reasons, considering the cost of recovery; and
 - (c) where the municipality deems that a customer or group of customers are unable to pay for services rendered.
- (16) The municipality must maintain audit trails in such instances, and document the reasons for the abandonment of the actions or claims in respect of the debt.

ANNEXURE "A"***Arrangements***

If a customer cannot pay his/her account with the municipality then the municipality may enter into an extended term of payment with the customer according to the applicable category of the customer. The customer must:

- i. Sign an acknowledgement of debt;
- ii. Sign a consent to judgement;
- iii. Provide a garnishee order/emolument order/stop order (if he or she is in employment);
- iv. Acknowledge that interest could be charged at the prescribed rate;
- v. Pay the current portion of the account;
- vi. Sign an acknowledgement that, if the arrangements being negotiated are later defaulted on, that no further arrangements will be possible and that disconnection of water and electricity will follow immediately, as will legal proceedings.
- vii. Acknowledge liability of all costs incurred.

ADMINISTRATIONS

Where a person has been placed under administration the following procedures will be follows:

1. The debt as at the date of the administration court order will be placed on hold, and collected in terms of the court order by the administrator's dividend.
- ii. The administrator is to open a new account on behalf of the debtor, with a new deposit – No account is to be opened/operated in the debtor's name as the debtor is not entitled to accumulate debt (refer section 74S of the Magistrates Courts Act 32 of 1944).
- iii. Until such time as this new account is opened, the debtor is to be placed on limited services levels. The consumer will be compelled to install a prepaid electricity meter, should one not already be in place. The Municipality will be entitled to recover the cost of the basic services by means of purchases made on the prepaid meter.
- iv. Should there be any default on the current account – the supply of services is to be limited or terminated, and the administrator handed over for the collection of this debt.

INDIGENT

All customers qualifying as indigent and having remaining arrear debt after any relief has been granted, will repay that debt as follows:

Over 36 months, in addition to monthly service charges, with immediate payment of the cost of the credit control action taken. Such arrangements for this category of debtor will be free of interest should the payments be regularly maintained.
